APPOINTMENT OF MEMBER TO THE PERMANENT SELECT COMMITTEE ON INTELLIGENCE

The SPEAKER pro tempore. The Chair announces the Speaker's appointment, pursuant to clause 11 of rule X, clause 11 of rule I, the order of the House of January 4, 2021, and the order of the House of March 12, 2021, of the following Member of the House to the Permanent Select Committee on Intelligence:

Mr. GALLAGHER, Wisconsin

RESTRICT USE OF NO-KNOCK WARRANTS

(Ms. MCCOLLUM asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MCCOLLUM. Mr. Speaker, it has been 342 days since the House of Representatives passed the George Floyd Justice in Policing Act. For 11 months, Senate Republicans have filibustered this bill, blocking meaningful change and accountability to address systemic racism and the use of excessive force.

One critical reform that can wait no longer is restricting the use of no-knock warrants. These extreme warrants too often create dangerous situations for innocent bystanders as well as for suspects and law enforcement.

That is why the Saint Paul Police Department has not issued a no-knock warrant since 2016. But the Minneapolis Police Department continues to insist on using these no-knock warrants.

The irresponsible choice that they are making has resulted again in a death, the killing of Mr. Locke last week, another life cut tragically short during a no-knock search, a headline that we have become all too familiar with. That is why we need Federal reforms now.

The House has done its job. The Senate must do its job, stop stalling, and pass the George Floyd Justice in Policing Act.

HONORING JOE SOUSA

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize and honor Joe Willie Sousa for being inducted into the Georgia Association of Broadcasters Hall of Fame.

Joe is no stranger to the Georgia broadcasting awards scene, as he also earned the Best Pandemic Coverage Award. In the face of a public health crisis, Joe's knowledge and expertise helped educate listeners on issues of supreme importance to them. He developed this experience as an on-air radio personality for several stations over his four decades-long career.

His career began in the 1970s when he took a chance to get into broadcasting while working at a Winn-Dixie in Brunswick. He had planned to attend the University of Georgia after graduating high school but got his big break when he was introduced to Ed Wright and began working on a radio show from 7 to midnight.

After only a year of work, and showing off his natural talent, Joe had shown he was more than capable, and Wright offered him a spot on the morning show. The rest, as they say, is history.

Since that day, Joe has broadcast his personality across the airwaves, and we hope to continue to hear from him for years to come.

SAFE, HEALTHY, AND SUSTAINABLE TRANSIT OPTIONS

(Ms. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. UNDERWOOD. Madam Speaker, public transportation that everyone can access is a critical, long-term investment in our communities.

The bipartisan infrastructure law is the largest Federal investment ever in safe, healthy, and sustainable transit options for millions of Americans, options like Pace bus that keep seniors and our neighbors in my community in northern Illinois connected.

Not only will the bipartisan infrastructure law continue record job growth by adding millions more good-paying union jobs; it invests \$4.5 billion in Illinois for critical upgrades and repairs to aging transit infrastructure.

Last week, I visited the Crystal Lake Metra station to highlight the difference this money will make for us at home. Now, Metra can invest in upgrading ADA accessibility and replacing decades-old railcars with cleaner alternatives.

I am proud to work with the Biden-Harris administration to improve, modernize, and expand our public transportation infrastructure.

CONGRATULATING HEARD, MCELROY & VESTAL ON 75TH ANNIVERSARY

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Madam Speaker, I rise today to congratulate my good friends and community leaders who have been serving my hometown of Shreveport for a remarkable 75 years.

The CPA firm of Heard, McElroy & Vestal has been an integral part of our community since 1946. In fact, founding partner Charles McElroy served as one of the first chairmen of the Louisiana Certified Public Accountants.

From the very beginning, the firm has established itself as a pillar of trust, integrity, and competence. Their firm is now one of the largest public accounting groups in northwest Louisiana.

This firm and its over 100 employees have worked faithfully for the people of Louisiana every day, and they have continued to be a cornerstone for our region. We are blessed to have their mission of accounting excellence and commitment to integrity as a part of our community.

Thank you to my friends for serving so well for all of these years, and happy 75th anniversary.
